

NMNEC Website

A guide to using The NMNEC.org Member Login

This is a quick how-to guide to log into the members-only section of the NMNEC website **and** how to navigate the curriculum layout.

1. Go to nmnec.org
2. Click "member login" in the top right-hand corner

3. Login with the information assigned to you by the NMNEC Staff. If you do not have a login, or are having trouble logging in, contact us at nmnec@salud.unm.edu.
4. Once logged in, you will have access to one of the following sections: **faculty, advisor, or employer**. Certain individuals may have access to a combination of these. Click on your section.

5. Next, click on the sub-section you want to access. The ADN and BSN curricular documents are now organized by level! Begin by clicking on the AND/BSN level you wish to access.

NMNEC Program Evaluation Documents

Students surveys for both ADN and BSN, and Faculty Course Reports

General Curriculum Documents

General curriculum documents are located here

Level 1

ADN and BSN curricular documents

Level 2

ADN and BSN curricular documents

Level 3

ADN and BSN curricular documents

Level 4

ADN and BSN curricular documents

Level 5

BSN curricular documents

6. The corresponding classes are listed for each level. Below is an example of ADN/BSN Level One.

Level 1

ADN and BSN curricular documents

Introduction to Nursing Concepts

Comments (0) Supporting Documents (0)

Principles of Nursing Practice

Comments (0) Supporting Documents (0)

7. Each individual class page has the following features:

A - This is the “**Official Documentation**” section. Documents in the **Official** section have been approved by the membership and relate directly to the course.

B – This is the “**Shared Curriculum / Teaching Documentation**” section. Documents in this section have been uploaded into folders by you or your peers. You may also search for documents by name within the search toolbar.

C – This is the “**Upload a Document**” button. Use this button to upload documents into the Shared Curr/Tchg Document folders section, as described in “**B.**”
