Selection Requirements

11.25.14

When a program receives more qualified applicants than the program can accommodate and a “ranking” selection process is utilized to select the students for admission, the program commits to follow the NMNEC Selection Requirements:

- Applicant pool is ranked as follows:
 - 50% Standardized Test
 - 40% Pre-requisite GPA
 - 10% School selected criteria
- The ranked applicants with the highest ranking scores are chosen to fill the available admission openings.
