## How to change your password

Your account currently has a generic password. To ensure account safety, we highly recommend changing your password as soon as possible.

1. Go to [nmnec.org](http://nmnec.org)
2. Click "member login" in the top right-hand corner

3. Login with the information assigned to you by the NMNEC Program Coordinator (Your login information has been forwarded to you by your program director). If you do not have a login, or are having trouble logging in, contact us at [nmnec@salud.unm.edu](mailto:nmnec@salud.unm.edu). You may also call Shanna at 505.272.2030.
4. In the top right corner, click on "Welcome \*Your Name Here\*", and select Manage Profile.

5. In the Manage Profile page, please enter a password into the "Password" and "Confirm Password" field.
