

## 9TH ANNUAL NEW MEXICO NURSING EDUCATORS CONFERENCE

### *The Challenges of Building a Diverse Nursing Population from Students to Workplace*

**June 12-13, 2017, Marriott Albuquerque Pyramid North; \$195 for 2-day conference (Includes lunch)** *(Includes lunch)*

A diverse nursing workforce is one that can support the well-being of the *whole* community. New Mexico has a very diverse general population. How are we doing in also having a diverse *nursing* population? How best can this be achieved? Explore this most crucial issue and join in the conversation with your academic and practice colleagues.

*We invite all nurses and healthcare professionals from the academic and practice arenas to participate.*
