

Farewell Gift for Nancy Ridenour

Dean Nancy Ridenour

Dr. Ridenour will retire from UNM College of Nursing at the end of August. It is so difficult to say good-bye as she has touched each of our lives in numerous ways. We know that her tremendous influence will continue throughout nursing education and throughout New Mexico.

As she begins the next chapter in her professional journey, in lieu of a good-bye gift, Nancy requested that each of us contribute to the ongoing financial sustainability of NMNEC.

Please make a financial donation to grow the *Ridenour/Mason NMNEC Fund at UNM.*
