

## NMNEC Enrollment by Term Spring-2014 to Spring-2018

(NMNEC Common Statewide Nursing Curriculum = ADN & BSN)

### DEFINITIONS:

**Capacity** = seats; how many slots are available in an academic year

**Students** = the humans occupying available seats

**Term** = semester or time period in which specific course instruction takes place

**Level** = the collection of NMNEC corequisite courses that are offered in a single term (ADN=4 Levels; BSN=5 Levels)

**Each Term, i.e. 'Spr-14' No. of Enrolled** = How many students were/will be enrolled in each term/level in this particular cohort

**Parentheses** = Student numbers in parentheses indicate that the students are enrolled but are not in attendance this term
