

# NMNEC Statewide Meeting Notes

CNM Workforce Training Center November 4, 2016

## 8:15am Welcome: Dr. Tamra Mason

- CNM Welcome

## Review of NMNEC: Becky Dakin

- NMNEC Model
- Travel Reimbursement and restrictions
- Leadership Council introductions
- Reviewed Agenda
- Reviewed 4.5 CE requirements

## Leadership Council Updates:

### Jenny Landen

- Welcomed new participants
- Discussed scope of our Work & Financials: Reviewed current and past budget. Will continue sustainability efforts. Thank you to NMSU who paid for the website programming required to build the foldering system and listserv capabilities. There is currently no funding to sustain the website.
- Shared innovative Ideas to sustain our work during these lean financial times:
  - Possibly a joint regional meeting
  - Join our resources
- Continued efforts:
  - Leadership Council meets every other month
  - Continue to mentor each other

### John Scarbrough

- Telling Our Story – conferences, articles, posters, etc.
- Encouraged telling our story from all perspectives/schools
  - Requested that all publications be sent to Becky as they are reported in our grant reports and used for others to build upon

### Nisa Bruce

- Shared general information regarding the Nursing Compact involving 25 states that allow each other's RN licensure to be recognized

### Judy Liesveld

UNM will be changing to Holistic Admission. All other medical disciplines already do this. Nursing is behind in including this. We will need to look at the NMNEC Admission and Selection policies.

### Judy Liesveld

- Announced Terry Keller, NMSU is stepping down from Leadership Team. This seat needs to be filled by a BSN university. Nominations will be solicited in January. The Nominee will present in February. Voting will take place in March.

## Joseph Sanchez

- Presented two slides representing the grown in BSN-prepared nurses in NM from 2013-2016
- If New Mexico continues at this rate, we will reach "80% by 2020."

### All Leadership Council

- NMNEC recognized Nancy Morton for her service and participation to NMNEC as she is retiring at the end of the year

### Committee Reports:

#### NMNEC Curriculum Committee - Sue Koronkiewicz

- Committee meets every month. It's time to review the concepts and exemplars. Today's 1pm workshop will include a discussion to learn of needed changes/revisions.

#### NMNEC Program Evaluation Committee - Shawna Kemper

- PEC has developed a comprehensive plan that will be reviewed by the Leadership Council this next week
- All surveys are now available online
- The committee meets every-other week and others are welcome to join

### Workshop: "Academic Success in Nursing" Shandra Burton

### Lunch: Discussion with colleagues regarding:

- L1-L3 Curricular Balance – concerns/solutions
- Standardized testing at your school
- Clinical Evaluation tools

### Workshop: "In the Trenches with the NMNEC Curriculum" Nancy Morton, Sue Koronkiewicz, Michael Shannon, Susan Winter

3:30 – Evaluations and CE Certificates
