	<ul style="list-style-type: none"> • Laura Vanyo shared that she has found some inconsistencies among the NMNEC documents (i.e. concept frameworks and course syllabi) and there is a need to ensure consistency among all these. • Committee members also discussed the need to place the NMNEC Common Course numbers on all syllabi templates. 	<ul style="list-style-type: none"> - The members agree that we need to post all NMNEC course syllabi on the shared drive so these are accessible to committee members. - Members also agree that we need to simultaneously correlate work on the concept frameworks with their associated placement in course syllabi in order to ensure accuracy and consistency.
<p>Committee Member Selection of Concepts for</p>	<ul style="list-style-type: none"> • Committee Members discuss how the concept reviews should be carried out/preference of each member. After discussion it was agreed that the Committee should review the concepts and their placement in courses/levels and determine a grouping of concepts to be reviewed as a “phase 1” of the process. • The following committee member work preferences were received: <ul style="list-style-type: none"> • Ellen Trabka would prefer to work with another member • The four NMJC members will work together on 2 concepts • Dawn Kittner would prefer to work with another member • Terri Tewart would prefer to work with another member • Laura Vanyo can work independently and would like to Work on the Sexuality and Sensory concepts. • After discussion, members decided best approach to capture all committee members preferences is to survey everyone via a survey monkey document. 	<ul style="list-style-type: none"> - The committee selected a grouping of 22 concepts to be reviewed as a “phase 1” of the curriculum review (see attached list) - S. Koronkiewicz will formulate a survey and forward to M. Wright to disseminate to the group.
