Curriculum Committee		
<ul style="list-style-type: none"> Develop and prioritize CE workshop topics for November 2018 NMNEC Statewide Meeting 	<p>Discussion on Screening, Brief Intervention, and Referral to Treatment (SBIRT) presentation for Statewide Meeting with potentially a discussion on potentially adding it to NMNEC curriculum as an exemplar for Health Promotion or Communication concepts.</p> <p>Committee discussed the plus/deltas of concept-based curriculum and use of ATI products to assess concept-based learning. Recommended keeping as a lunch presentation rather than as a faculty workshop at the statewide meeting.</p> <p>Discussion on presenting on the clinical courses and how to link clinical within the classroom. Discussion about bringing back Level workshops and/or to focus on teaching health and illness concept courses as well as professional nursing courses. Also discussion on need to have an introduction/overview of NMNEC curriculum for newer faculty.</p>	<p>Agreed to have SBIRT as a topic presented by Molly Faulkner along with presentations who have included SBIRT within the curriculum to get ideas on whether NMNEC should consider recommending SBIRT to be an exemplar.</p> <p>Agreed that ATI presentation idea is good for a lunch presentation.</p> <p>Committee recommending following topics for workshops, depending on the availability of speakers and rooms:</p> <ol style="list-style-type: none"> 1) Clinical and how taught within the classroom. 2) Intro and Overview of NMNEC for new faculty 3) Either a couple of level workshops or Health and Illness/Professional Nursing Concepts workshops <p>Mary Wright to report recommendations to Becky Dakin and NMNEC Leadership Council who will recommend speakers.</p>
<ul style="list-style-type: none"> Plan for NMNEC concept reviews in 2018-2019 	<p>Brief discussion that this committee is charged with doing the concept reviews on a 3-year rolling calendar. In 2017-2018, 13 (+1 in process) concepts were completed. James Vigil has just completed a review of the Immunity concept which needs to be reviewed by the committee.</p>	<p>Committee was instructed to think about concepts they were interested in and divide up concepts for</p>

	<p>Need to divide out the reviews for the next year. There are funds from the New Mexico Board of Nursing to pay stipends for the reviews with how much dependent partially on how many are completed. Goal for 2018-2019 is around 28 concepts. A Concept Review Checklist for use by reviewers was suggested with agreement that a checklist would be helpful.</p>	<p>review among committee members. Making plan and assigning concepts to occur at September 2018 meeting.</p> <p>Immunity and Technology & Informatics concepts to be reviewed at next meeting.</p> <p>Mary Wright will develop list of concepts that shows what has been reviewed and what still needs to be done for next meeting.</p> <p>Mary Wright will draft a concept review checklist for use by reviewers to be reviewed at next meeting.</p>
<ul style="list-style-type: none"> Review request to have a NMNEC Curricular Abbreviations document (if time allows) 	<p>No time for discussion.</p>	<p>Deferred until September 2018 meeting.</p>
<ul style="list-style-type: none"> Additional 	<p>Conni DeBlieck raised the question whether Omaha Classification system should be included within NMNEC Curriculum.</p>	<p>Recommend discussion of Omaha Classification System as topic for a future meeting.</p>
