Topics Selection for Statewide Meeting on 11/3/17	<ul style="list-style-type: none"> S. Koronkiewicz, M. Wright, and M. Shannon shared potential topics with members. Feedback received from group. 	- M. Wright will forward approved topics to B. Dakin
2016-2017 Faculty Course Reports Reviewed	<ul style="list-style-type: none"> Members received report for review. Some suggestions noted about simulations might be better placed in different levels. Simulation Task Force will be formed and placement of simulations will be reviewed. Also some suggestions noted about more assessment content in L1. No particular commentary at this time. Will continue to observe for trends and may revisit after more in-depth review. 	Informational
NMNEC Simulation Plan Review Taskforce	<ul style="list-style-type: none"> See comment above about suggestions related to simulation placement received on 2016-2017 Faculty Course Report 	- Herica Torres will organize a taskforce and members will assess for content
Standardized Use of Giddens Concepts Text	<ul style="list-style-type: none"> A recommendation from a senior curriculum developer to require utilization of Giddens Concepts for Nursing Practice text was brought to the committee. Discussion ensued. Some members felt it was not advisable to rely on one text as a resource. It was agreed that programs were free to use the text if they so desired, and the committee could use as a reference to update Concepts. 	- Giddens text will not be adopted. Committee members can review and inform committee of any significant updates.
Concept Review Process reviewed	<ul style="list-style-type: none"> Discussion about process and new documents added to the Google Docs shared space. 	- Informational
Next Meeting Date	<ul style="list-style-type: none"> Due to the regular meeting date conflicting with the NEAC meeting, embers agreed to meet 9/28/17 from 3:00-4:00 PM 	- Informational

Meeting Adjourned at 4:00 PM

Respectfully Submitted: Susan Koronkiewicz
