

Intimate Partner Violence Strangulation Training

An Important Training Designed For Medical/Health Professionals

The New Mexico Coalition Against Domestic Violence can now offer this **FREE Intimate Partner Strangulation/Suffocation Training** in your workplace anywhere in the state of New Mexico.

Strangulation is one of the most lethal forms of intimate partner violence.

This training is for EMT's and medical/health professionals working in family practice, hospitals, senior care, etc.

What Attendees Will Learn

- To identify the signs and symptoms of near fatal strangulation/suffocation.
- The medical implications for surviving victims.
 - To enhance victim safety through trauma-informed practices.

VALUABLE TAKE-AWAY RESOURCES

THIS TRAINING IS PART OF...

an ongoing, multi-disciplinary effort to increase the knowledge and appropriate medical/public health response to intimate partner strangulation/suffocation statewide.

OUR TRAININGS ARE FLEXIBLE...

and can be structured to meet the needs of your group/community.

OUTCOMES OF PREVIOUS TRAININGS INCLUDE...

increased awareness in cases involving strangulation, improved documentation and investigation of strangulation cases, and increased offender accountability and victim safety.
