

## Announcing NMNEC Level Sharing Meetings

NM | NURSING EDUCATION CONSORTIUM

During the NMNEC Virtual Statewide Faculty Meeting on April 13, 2020, the idea of having informal sharing meetings via Zoom by level was proposed and supported.

The purpose of these meetings is for faculty who are teaching in these levels at the NMNEC Curriculum Member programs to have an opportunity to informally get together and share online teaching ideas, especially as related to Computer-Based Clinical Simulation activities. Come with an idea you implemented that worked well, or an idea of something to try that you want to get feedback on, or at the very least to listen and support each other.

In order to have these meetings prior to the end of this 2020 Spring semester/term for most NMNEC programs, the following dates/times are scheduled as listed below. **To facilitate NMNEC planning for these meetings, an RSVP to any/all meetings is appreciated** by going to: <https://www.surveymonkey.com/r/LevelSharingMtgsRSVP>
